+62-815-9119453

EMAIL
paulus.hendarwan@gmail.com

## LANGUAGES

ENGLISH

INDONESIAN

## ABOUT ME

I am an enthusiast in UNIX, Linux, DB and scripting (Perl, PHP, Korn Shell).

## EDUCATION

1996 — University of Indonesia
Bachelor Degree in Electrical Engineering

## CAREER TIMELINE

1996 – 2013: Multipolar
System Engineer

2013 – 2014: Emerio Indonesia
SBU Head

2014 – 2015: Multipolar
System Engineer

2015 – 2017: Emerio Indonesia
SBU Head

2017 – 2018: Multipolar
System Engineer

2018 – 2019: Emerio Indonesia
SBU Head

2019 – now: Prima Integrasi Network
Tech Manager

## SKILLS

UNIX/Linux

Database Administration

Scripting (Perl, PHP)

# Courses / Trainings

- AIX fundamental (conducted by inixindo at 1999)
- AIX system administration (conducted by inixindo at 1999)
- Advanced power5 virtualization workshop in singapore (conducted by IBM US at 2005)
- DS4000 series for cluster, IBM advance flight school (conducted by IBM malaysia at 2005)
- Oracle database 10g administration workshop II training (conducted by oracle indonesia at may 29 -june 2, 2006)
- Oracle applications 10g administration workshop I training (conducted by oracle indonesia at june 26 – june 30, 2006)
- Oracle applications 10g administration workshop II training (conducted by oracle indonesia at july 10 – july 14, 2006)
- Oracle database 10g : data guard administration training (conducted by oracle indonesia at january 30 – february 1, 2007)
- Veritas cluster server v5.0 for UNIX (conducted by optima bisnis integra at april 14-18, 2008)
- Echostream and echocluster partner implementation hands-on workshop at 6 – 9 april 2009 in hong kong.
- IBM POWER systems virtualization management workshop at 21-22 october 2010 in lido lakes resort, ciawi
- What's new in POWER systems of AIX training in singapore, dec 09-10, 2010 .
- Starter kid for cloud computing (SKC) training at executrain, july 16-19, 2012
- IBM 1st BP master class training (pureflex + FSM) at IBM indonesia, the plaza (24 april 2013)
- IBM spectrum protect 7.1.4 implementation and administration (TS615G) training, at trainocate, 6-11 november 2017.
- Lx031g – power systems running linux : red hat administration (powervm base), at trainocate, 15 december 2017.
- C9020-661 grid scale cloud storage v1 exam preparation training, 6 august 2018, at trainocate..

# Certifications

- IBM POWER Systems Scale-up Technical Sales V1, at MII, March 22, 2019.
- IBM Certified Specialist – Grid Scale Cloud Storage V1, at Trainocate, August 16, 2018.
- IBM Certified System Administrator - WebSphere Application Server Network Deployment V8.5.5 and Liberty Profile, at Trainocate, October 26, 2017.
- IBM Certified Technical Sales Specialist – Power Systems with POWER8 Enterprise V2, at Trainocate, July 5, 2017.
- IBM Certified Specialist Storwize Family Technical Solutions V4, at Trainocate, April 21, 2017.
- IBM Certified Specialist – Enterprise Storage Technical Support v4, conducted by Global Knowledge, at February 3rd, 2016
- IBM Certified Technical Sales Specialist-Power Systems with POWER8 Enterprise v1 (conducted by Global Knowledge, at January 15th, 2016)
- IBM Certified System Administrator AIX 7, at April 15th, 2015
- IBM Certified Technical Sales Specialist-Power Systems with POWER8 Scale-out v1 (conducted by Iverson, at April 8th, 2015)
- IBM Certified Specialist-Enterprise Storage Technical Support v3 (conducted by Iverson, at April 1st, 2015)
- ITIL Foundation in IT Service Management Certified (April 2nd, 2014)
- IBM Certified Specialist – PureFlex Technical Support V2 (Executrain, 03 December 2013)
- IBM Certified Specialist – StorWize V7000 Technical Solutions V1 (conducted by Executrain, at May 1, 2012)
- IBM Certified Specialist – Power Systems Technical Support for AIX and Linux (conducted by Executrain, at August 6, 2009).

# Certifications (cont'd)

- IBM Certified Systems Expert – Enterprise Technical Support for AIX and Linux (conducted by Executrain, at August 12, 2009).
- IBM eServer Certified Specialist AIX Basic Operations v5 (conducted by Executrain, at September 6, 2005) IBM Certified Specialist – System p Administration (conducted by Executrain, at February 19, 2008)
- IBM Certified Systems Expert – pSeries HACMP for AIX5L (conducted by Executrain, at March 05, 2008)
- IBM Certified Specialist – Open Systems Storage Solutions V6 (conducted by Executrain, at March 14, 2008)
- IBM Certified Administrator – Tivoli Storage Manager v5.4 (conducted by Executrain, at March 19, 2008)
- Oracle Database 10g Administrator – Certified Professional (conducted by Executrain, at April 4, 2008)
- IBM Certified Deployment Professional – Tivoli Storage Manager v5.4 (conducted by Executrain, at April 11, 2008)
- IBM Certified Specialist – AIX v4 System Support (conducted by Executrain at 1999)

# Work Assignments

***Freelance Project :***

- ***MyLaundry application : PHP, MySQL, CSS and Javascript based apps for managing laundry transactions, audit and report (2015 – now) .***

***January 2019 - now***

**Technical Engineer, IBM-HP-Storage Team, PT. Prima Integrasi Network**

Job Description

- Providing IBM POWER and HP-UX server solutions and implementations
- Providing IBM Storage, PureStorage, and DellEMC storage platforms solutions and implementations.

***February 2017 to January 2019***

**Presales, PT. Prima Integrasi Network**

Job Description

- Providing IBM POWER server solutions and implementations
- Providing IBM Storage platforms solutions and implementations
-

***July 2013 to February 2017***

**Infrastructure and BMC SBU Head, PT. Emerio Indonesia**

Job Description

- Providing IBM POWER server solutions and implementations
- Providing IBM Storage platforms solutions and implementations
- Manage and coordinating Infrastructure and BMC SBU.

# Work Assignments

***January 2005 to July 2013***

**Technical Team Leader, PT. Multipolar Technology**

Job Description

- To help customers meet their requirements in servers (IT) area
- involve in setting new p-Series infrastructure, re-setting configuration, and migrating to new machine including verification of running application
